

A man with short brown hair, wearing a red vest over a blue and white plaid shirt and blue jeans, stands in a parking lot at night. He is holding a black bag in his left hand. A large, fluffy white dog is sitting on the ground to his left. The background shows several tall, thin light poles with multiple lights at the top, and a large, dark building with some lights on in the distance. The overall scene is dimly lit, with the primary light source being the streetlights.

A close-up photograph of a man with wild, white, spiky hair. He has a surprised or excited expression, with wide eyes and a slightly open mouth. He is wearing a light-colored shirt. The background is dark, suggesting an outdoor night setting, with a blurred light source visible in the distance.

*Hey, I came from the
future from Lahti in 2040!*

A scene from the television series Star Trek: Voyager. On the left, Neelix, a Klingon character with white hair, is shown in profile, looking towards the right. On the right, Kesotik, a young Klingon boy, is also in profile, looking towards the left. They are both looking at a large, glowing map that is being held up between them. The map appears to be a map of a planet or system, with various colored regions and lines. The background is a blurred outdoor setting, possibly a public square or a market, with many people and structures visible in the distance. The lighting is bright, suggesting daytime. The text "I brought the proof, a map of Lahti from 2040!" is overlaid on the image in a white, serif font, centered between the two characters.

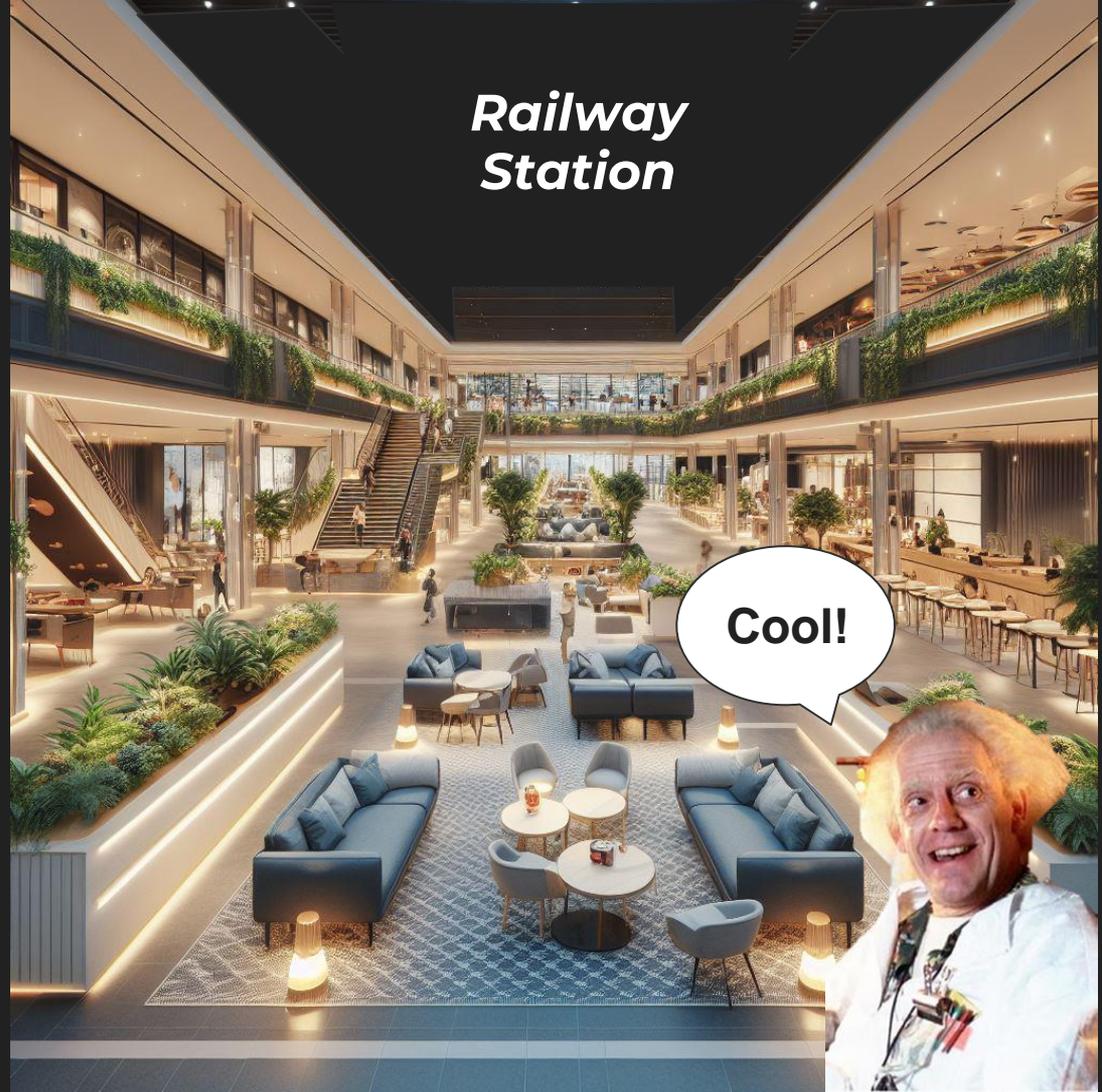

*I brought the
proof, a map of
Lahti from
2040!*
